

MSU-Northern Foundation

Open Position: Executive Director/CEO

The MSU-Northern Foundation (Foundation) is the recognized philanthropic body of Montana State University Northern (University). The Foundation is responsible for fiscal management of all charitable contributions made to the University and to fulfill the University's goals and donors wishes. Additionally, the Foundation engages alumni, donors, and the community via fundraising and stewardship events throughout the year.

Job Description:

We are looking for an outgoing person to lead a four-person team located on the MSU-Northern campus. As Executive Director/Chief Executive Officer (CEO) of the Montana State University – Northern Foundation, the individual is the chief executive and administrator of the Foundation. In this capacity, the Executive Director is responsible for and has the requisite authority for the management of the Foundation and coordination of the activities between the Foundation, University, donors, alumni and others. The Executive Director of the Foundation shall actively promote a favorable image of the Foundation and the University with the general public. The Executive Director has the ultimate responsibility for investing, administering, and accounting for all endowments and other gifts, for the benefit of Montana State University Northern.

The Executive Director functions as the chief fundraiser for the University, working with the Chancellor of MSUN to oversee a University-wide review system for all fundraising projects, and coordinate fundraising priorities with the context of the University's strategic plan and goals. The Executive Director directs, cultivates, and maintains a high profile for University fundraising and benefactor relations.
