

Greetings from Montana State University-Northern Volleyball!

Greetings from your MSUN head volleyball coach, Jerry Wagner. I have just completed my fourth season back in Havre, and I couldn't be more thrilled to coach the student athletes that have chosen to join the Skylights! I started a now 39-year coaching career as the head coach of the Skylights back in 1987 and am excited to bring Northern Volleyball back to where it was and can be again. As a proud graduate and alumnus of Havre High and Northern Montana College, I couldn't be happier to be back and leading this program to new heights.

The 2022 Skylight season produced our second double digit win season in a row and a Top 20 victory, along with several other notable achievements. Successful volleyball programs start with strong support from people like you. That's why I'm asking you to become a Skylight Volleyball Club Member, or to consider renewing that membership if you are already a past member and believer. I whole-heartedly thank those of you who donated last year. The contribution you make as a Club Member goes directly toward the success of our student athletes and has a lasting impact on their overall academic and athletic experience. The funds generated from the Volleyball Club enhance scholarship offers, recruiting efforts, and provide positive team-building experiences. They also help cover team travel costs, necessary team gear, and uniforms.

Once you've made a Volleyball Club contribution, your rewards will be delivered to your door or in the mail. A complete list of pledge levels and rewards can be found below. We make donating as convenient as possible via check, phone, or our online giving portal. Donations at any level are welcome.

Thank you in advance for your contribution to the MSUN Skylight Volleyball program. Your help and generosity are truly appreciated and vital to the success of our program, both on and off the court.

Go Skylights!
